Dear Stephen

Dornoch Free Church of Scotland - Church Building Dedication Service

Warm Christian greetings from everyone in Dornoch Free Church to you and all of your Kirk Session. We pray that our LORD continues to bless you all individually and corporately as you serve Him through your many varied ministries locally and further afield.

I am writing to advise you of some good news. We have nearly completed our church building renovation works and have scheduled a Dedication service for 15 June at 2pm. In this regard, I am delighted to extend an open invitation to anyone connected with the Stony Point Church to attend. We are thankful to God for the provision of funding and the hard work of many tradesmen and other individuals to help deliver this excellent venue for the various ministries of our congregation and for the local community.

We appreciate it is a long way to come but if anyone is able to join with us at this Service they will be most welcome to give thanks and enjoy fellowship with friends old and new.

Every Blessing

Yours sincerely

Mark Robinson
Session Clerk
